FOR

- d) High Performance Director
- e) Member at Large

PROPOSED AMENDMENT: _

4.1 Directors – The Board will consist of five (5) Directors as follows:

- a) President
- b) Treasurer
- c) Secretary
- d) High Performance Director
- e) Marketing & Communications Director

EXPLANATION: __ Remove the Member at Large position and define it with an actual role. Karate Manitoba's strategic plan focuses on growth of the sport at all levels. To effectively do this marketing and communications will play a significant role. Having it as a board member and not a volunteer committee/person there will be more of a board overall role.
